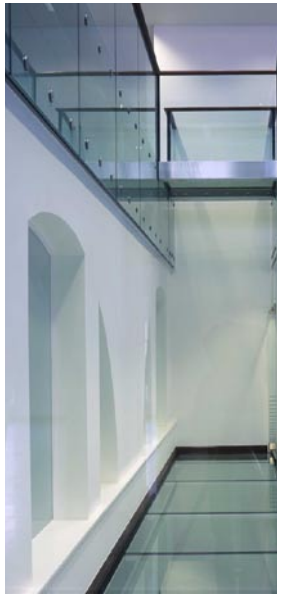
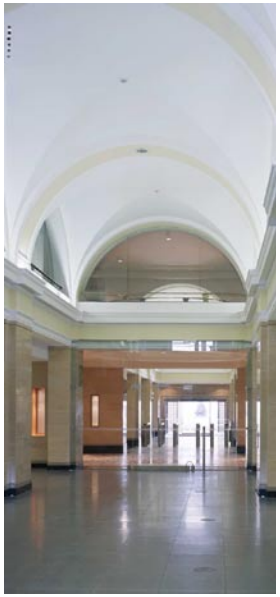
Projects





Baskerville House Birmingham

Client	Targetfollow (Birmingham) Ltd
Size	200,000ft²
Value	£30 million
Contract	Design & Build
Status	Completed December 2006

Rolfe Judd's refurbishment of Baskerville House transformed the listed former offices of Birmingham City Council into just over 200,000 ft² of Grade A office accommodation, winning critical acclaim from several awarding bodies, including those listed below.

The judges of the BCO Awards praised the sympathetic restoration of the building and noted that the project was "a very fine achievement and an excellent example of how refurbishment can add enormous value to both building and its setting".

- Regional Winner, Refurbished/Recycled Workplace - The Midlands and East Anglia
  2007 British Council for Offices [BCO] Awards
- Commercial Development of the Year
  2007 Property Week - Midlands Property Awards
- Winner of the Commercial Category
  2007 Built in Quality Awards (Birmingham & Solihull)
- Best Office Development
  2007 Midlands Property Awards (Variety Club)
- Heritage Award - commendation
