

Projects

8-13 Lime Street London EC3

Client PPG Metro / Greenhall Estates
Size 79,000ft²
Value £17 million
Status Completed 2009

A major new build commercial office and retail scheme within the Leadenhall Market Conservation area. The design integrates a significant increase in both quantity and quality of net area over the existing buildings, whilst still addressing the huge variation of scale within buildings adjoining the site. The scheme is arranged over 9 storeys, and clad primarily in limestone panels with curtain walling at higher levels.
